Who Is Sizavusi

Sizavusi is a South African Incorporated Black Owned Company. The company offers Building Construction and Construction Project management.

Sizavusi is dedicated to organizations or individuals seeking construction services.

We provide building construction services

to Power distribution and transmission companies, Parastatals, oil and pipeline companies, public works agencies, municipalities, and commercial/residential real estate developers.

Our area of expertise includes but not limited to building technology, civil and structural engineering.

We are committed to provide the best possible construction expertise & service to ensure cost effective and successful projects.

We work closely with our clients to accurately interpret their dreams/visions in drawings and bring them to the desired reality through construction solutions to meet their needs; We communicate with our clients throughout the construction process to keep them informed of progress and to ensure that our project keeps on schedule and within budget.

**We
Believe
in and
Promote
Quality
Delivery**

Our Vision

A regional market leader in provision of building construction services and civil engineering
